

**ATTENTION
UNITED HEALTHCARE PATIENTS
(UNITED, MDIPA, OPTIMUM CHOICE, GEHA ETC)**

As of May 1, 2011, Fairfax Colon & Rectal Surgery will no longer be a participating provider with United Healthcare Insurance Company. This includes all United products, including, but not limited to, United Healthcare of the Mid-Atlantic, Inc, Options PPO, OneNet PPO, and other OneNet affiliates (e.g. GEHA), all Choice products, all Select products, MDIPA and all other entities that are United Affiliates.

We apologize for any inconvenience this may cause you, but our current in-network reimbursement from United is unsustainable. We would be happy to see as “in-network” all United Healthcare patients who have access to the Multiplan and/or PHCS network (which will be noted on the back of your insurance card) and United patients with out-of-network benefits who choose to pay out of pocket and have us submit to United for personal reimbursement.

**PLEASE CALL THE MEMBER SERVICES NUMBER ON THE BACK OF
YOUR CARD TO ENCOURAGE UNITED TO RENEGOTIATE THEIR RATES
SO WE CAN CONTINUE TO CARE FOR YOU**

Sincerely,

Your Doctors
